

CODE

A strategy for planning written exam answers

Check

Check the question

What are you being asked to do?
What words can you underline to guide you?

Organise

Organise the key points into an order that makes sense

What do you know about a topic?
Can you write topic sentences?

Detail

What will you cover in each section?

Do you know enough to answer the question?
What details will you be drawing your marker's attention to?

Elaborate

Elaborate the details e.g. writing

Can you elaborate to answer the question more fully?
